### Come September . . .

Sam Marciano is Eisenhower's A.F.S. exchange student from Venezuela. Sam is living with the Malone family, which includes two boys, Jim and Allan.

At his home in Venezuela, Sam lives with his father and mother, four sisters, and a brother. He is the oldest and has graduated from high school.

At school in Venezuela Sam participated in soccer, basketball, baseball, and was a member of the school's swimming team. In Venezuela lunch is two hours long, and there is a fifteen minute break between classes. Subjects are not chosen by the students.

Sam plans to be an electrical engineer in the future.

Eisenhower is very happy to have a wonderful student like Sam around and wishes him much happiness in the future.

#### . . . and Gunnar

Gunnar Igney is our I.C.Y.E. student from Dortnund, Germany, which is a very industrial city. He is living with the Schwandt family.

Gunnar is in Eisenhower's Concert Choir, Tumbling Club, Student Council, Debate Club, and Dance Band, in which he plays the piano.

Gunnar has three brothers at home in Germany along with his mother and his father, who is a lawyer.

When he returns to Germany, Gunnar will attend school for another year and then go into the service. He says that he would like very much to come back to America and further his education. He feels that American has a very good college system. He plans to become a lawyer in the future.

Gunnar enjoys tennis, water skiing, and ice skating. He says he also enjoys living with the Schwandt family.

Eisenhower is very happy to have Gunnar as a member of its student body, and wishes him lots of luck and happiness.

#### Assemblies

Vic Hyde

Student Council's first paid assembly of the year presented the talented musician, Vic Hyde. He demonstrated his ability to play two, three, and four trumpets at one time. Dressed in a gay red suit, black Beatle wig, and baton in a hand, he danced around the gym floor. All through the assembly he gave worthwhile philosophy on doing a "job well done."

#### Football and Cross Country

The marching Ikettes started the activities of EHS's annual football assembly, September 15. All members of the football team were introduced and demonstrated their skill with a few simple maneuvers. The cheerleaders taught the Freshmen the new and old cheers.

Mr. Russel's cross-country team was introduced, too.

Fisher Body Craft

A substance that becomes a solid from a liquid just by shaking it and turning it upside down? A model car sketched by using 3 lines only? Glass 1/8 inch thick that would support a man's weight without breaking? A car, containing a stove, a refrigerator, a tv, etc., that can find its way from Decatur to San Francisco sans driver-relying only on a computerized card? These were the provocative actualities and the forecasts for the future that were expounded by the representative of the General Motors Company when he appeared before the Eisenhower student body. Get to work on the model car kits, fellows. Be a part of the fabulous future.

Homecoming Activities '66

#### Student Council Election

On Wednesday, February 8, the student body met in the gym at 8:30 A.M. to hear the speeches and see the demonstrations of the candidates and to elect the Student Council officers for 1967 and 1968.

The candidates for President were Otis Lawrence and Richie Tolly. Otis won. The candidates for Vice-President were Jim Schwandt, John Peterson, and Dave Wiegers. Jim won. Candidates for Secretary were Jan Armstrong, Barb Rhoades, Vicki Muffick, and Patty Finley. Jan won. The candidates for Treasurer were Juanita Sain, Mike Pettus, Scott Grham, Lexie Haws, and Linda Layton. Juanita won.

The Student Council will once again be in capable hands.

Winter Carnival

February 3, marked the annual Eisenhower Student Council Carnival. A crowd of people milled through the halls and the gym from 6:30 to 9:30. The Senior Class hitched many happy people in "holy matrimony". This year, for the first time, the Student Council planned a Variety Show with the proceeds going directly to the Student Council. The Carnival is an excellent opportunity for all clubs and classes to earn money for themselves.

### D.E.A. Would Rather Strike Than Teach

The Teacher's Strike was brought about by a lack of understanding between the teachers and the Board of Education. The main differences between the board and the D.E.A. were the salary schedule and the rights of the Decatur Education Association to negotiate in behalf of the teachers. The teachers voted to strike during the first part of November.

Due to the lack of teachers the students were sent to the gym. They danced, played games and had a very bad time. They were dismissed in the middle of the morning.

#### Senior Class Presents

On December 16 & 17 the Seniors presented *The Torch Bearers*. It is a satirical comedy with a play within the play. The play ended with "Love conquering all" as Mrs. Ritter decided to give up her theatrical career to stay with her husband.

The faculty and the students of Dwight D. Eisenhower High School respectfully dedicate this page to the memory of Bryan Stockwell, the first alumnus to become a casualty of the fighting in Viet Nam. A former baseball stand-out, typifying the best of Young America, Bryan will long be remembered by all who knew him. In the words of another who also made the supreme sacrifice, Bryan "asked not what his country could do for him, but what he could do for his country." We are proud to claim him as our own.

#### A Message from

#### Our Principal

Eisenhower is observing its tenth anniversary as a comprehensive high school. I am happy to have been associated with this school from its beginning.

The high school years are formulative ones in which decisions are made concerning vocations, plans to enter college or the world of work, and marriage. Many of our graduates have distinguished themselves in various fields of endeavor. Two former graduates are presently members of our faculty.

May you always cherish your years spent at E.H.S. and return to visit us. Through your suggestions we hope to provide the type of education which will help you to succeed in the world of tomorrow.

Ralph Westerman Principal

#### Assistant Principal

Mr. Bill Rohrscheib is our Assistant Principal. His duties consist of many various things. He keeps a record of each student, plans out the weekly bulletin and helps rank the seniors. This is only a few of the responsibilities of our Assistant Principal. Although he has many duties to perform, he is always willing to help each student. This is also Mr. Rohrscheib's first year as Assistant Principal and he has done an excellent job.

#### Dean of Girls

The Dean of Girls is Miss Marie Weber. Miss Weber handles the social and personal problems of our girls. She is a guidance counselor, and helps each student assigned to her with their class elections. Miss Weber checks attendance, she plans and directs Baccalaureate and Commencement. She is a very understanding person and is well appreciated at Eisenhower.

#### Dean of Boys

Mr. Don Diller, The Dean of Boys, supervises the issuance of rental books and lockers. He handles all the disciplinary problems concerning the boys at Eisenhower. Although this is Mr. Diller's first year as Dean of Boys, he has done a fine job and has proven that he is concerned with each student. Eisenhower certainly hopes that he is as happy with his job as we are to have him fill this position.

President DON STEELE

Eisenhower's student body is represented in the Student Council. Under the direction of advisor Mr. Kreuger, the council works for the betterment of the school.

The executive board and representatives work with President Don Steele on all school functions.

Meetings are opened once a week with a pledge to the American flag and a salute to our school flag. The Council performs the flag ceremony at sports' games, raises and lowers the flag outside, puts on Homecoming, supports the Winter Carnival, and selects the Senior of the month.

The Eisenhower Chapter of the National Honor Society is the most honorable activity which a sophomore, junior, or senior may obtain membership within. Induction to Honor Society is held each spring after the inductees have rehearsed. Purple and white ribbons are given to the pledges who have the appropriate grade point averages, and the proper character.

The officers of the 1966-67 Eisenhower' Honor Society are chosen by the other members of the club. Roger Branson is president assisted with Rick Noel as vice-president. Jane Finkley is secretary, and Steve Campbell is treasurer. Sue Edmonson is the historian. An annual Christmas party is given in honor of the advisors Miss Bower, and Miss Minto.

The Eisenhower's Key Club is formally known as the Junior Kiwanis Club. These eleven members represent Eisenhower monthly at meetings. The boys attend a dinner with Mr. Westerman during an afternoon. This year there are eight seniors and three juniors.

Membership into the Key Club is based on leadership within the school, participation in activities, and scholarship. The members of Key Club sponsor or support such activities as the downtown apple sale, and the preparation of food baskets for needy people.

The Orchestra is not actually a club, but a class which meets every day first hour and functions as a club. The Orchestra is an active group of students that provides musical entertainment for the P.T.A. meetings and the Christmas Assembly. They present an annual concert and also play in the school musical. With their busy schedule they also manage to find the time to attend musical contests where they compete with the best orchestras in the state of Illinois.

From the forty-three members of the Orchestra, one person is chosen as president. This year Don Williams was chosen. Working along with him on the council is George Greanias, Patty Finley, and Dorothy Paczak. The council functions similar to that of the band council, finding ways to earn money for the trips that are taken to the contests. Mr. Barnett advises the council and does an exceptional job in directing the entire Orchestra.

Jim Schwandt, Sue Riggins, Rick Morthland, Rosemary Schawitsch, Tom Williams, Marge Neureuther.

### E.H.S. Band Department

The Eisenhower Band Department is one of the most important music groups in Eisenhower. This year there are three participating bands: Concert Band, Dance Band, and the Cadet Band which consists only of freshmen. These three bands provide the entertainment for many of the school's functions, such as the Homecoming Assembly, Christmas program and Christmas Assembly, pep rallies, exchange assemblies, and at the football and basketball games.

At the games, especially football, Lynn Merritt and Rick Noel lead the band. Lynn is the majorette and performs at half-time doing specific routines with her batons. Rick is the band major. He wears a fancier uniform and leads the band into their positions.

From the concert band, a council is chosen consisting of three officers and class representatives. The council meets to decide ways to meet and how to make money for band functions. The officers for the 1966-67 year are as follows: Rick Morthland, President; Rosemary Schawitsch, Vice-President; and Marge Neureuther, Secretary-treasurer. The class representatives are: John Schwandt, Junior; Sue Riggins, Sophomore; and Tom Williams, Senior.

### Tiptones

The voices of the Tiptones are heard throughout the year at E.H.S. in a number of school functions, assemblies, and throughout the city. They represent the most harmonious vocal talent here at E.H.S. and anywhere as far as we are concerned. These twenty-two students are chosen from our Concert Choir and meet twice a week. They sing selections from tender madrigals to quaint novelty tunes.

The Girl's Chorus is made up of forty-five girls who sing for pleasure. This group meets three times a week and performs for the annual Christmas Concert, in the E.H.S. musical, and for the Spring Festival held at Decatur High School. They also go caroling during the Christmas holidays.

Several girls selected by audition from the Girl's Chorus make up the group known as Keynotes. These girls meet twice a week and sing for various organizations and other schools as well as taking part in the musical. (pictured on the opposite page)

#### Girl's Chorus "B"

Girl's Chorus B (pictured on the following page) meet Wednesdays during first hour. This group consists of about forty-five girls who are interested in music and who love to sing.

#### Boy's Chorus

New this year in the music department is the Boy's Chorus (pictured on the following page) which consists of approximately thirty-eight boys who meet during first hour on Tuesdays and Thursdays. Under the teaching of Mrs. Vits, they sing and also learn music principles.

They can be seen hard at work at assemblies, sporting events, and extracurricular activities, with camera on their backs, taking action pictures. They also see to it that the pictures are of good quality and are developed in time to meet the various deadlines. The yearbook would not be the book it always is without the many pictures which capture the memories of our high school days.

### Pantherama Editorial Staff

In order to make a yearbook that each and every student can be proud of there are pictures to be taken, copies to be written, deadlines to be met, and layouts to be arranged for each page. Every day from 2:46 to 3:46 the *Pantherama* Editorial Staff handles all of these duties in an efficient and capable style. All of the year's activities and events must be gathered together and assembled between the covers of the yearbook. The obligation of putting out an excellent yearbook lies in the hands of this staff.

The slow starting Panthers lost their opening game against a strong Jacksonville team by the slight margin of 7—6. Handicapped by the injury of Tom Cox, an outstanding lineman, the Panthers roared back with a decisive victory over the Greenwave of Mattoon. Ike then sustained its second and final loss of the season to Griffen. The Panthers made a clean sweep of their remaining 6 games. These were highlighted by a 13—6 victory over arch-rival Stephen Decatur

and the defeat of the Generals in the annual Veterans' Day game.

The Panthers were led offensively by the exciting running of Thurman Jelks. Jelks raced his way to a school and city scoring records. He was also chosen to the All-State team.

Jelks was selected Most Valuable Player and Terry De-Laughter received the Panther award.

The running Panthers also captured first in the Flora Invitational in which 11 teams were entered. The Panthers, with winged feet, swept the first five places to win the Capital Conference meet with a perfect score of 15.

The top 7 runners will be returning next year as there are no seniors on the team.

## Varsity Basketball

The 66-67 basketball team got off to a slow start. After winning its first two games with Mr. Pulski and Feitshens, the Panthers went into a slump and lost its next seven games. Two of the games were against Collinsville, 53—44, and Springfield, 53—48. Both of these teams were rated high in the state. At the Carbondale Holiday Tournament, Ike continued its slump. They were eliminated from the tourney in two games by Maron and Herrin. The Panthers finally found the winning spirit again and won two games only to be defeated by MacArthur. And then the city tournament came. Stephen Decatur was seeded first. Ike won its first 3 games, with a strong chance of winning the championship,

but E.H.S. had never beaten the Reds. Eisenhower controlled the entire game and at the final buzzer Ike had defeated the Running Reds, 52—45. Not only did Eisenhower win the Championship, but also the Sportsmanship Trophy was awarded to Ike. George Watkins earned the Most Valuable Player Award. This raised the Panther's record for the season to 10—7, brightening the hopes for the rest of the season.

This was a year of rebuilding for Eisenhower around lone letterman George Watkins. Next year the team will lose Watkins only from the starting five making Ike the team to watch.

The wrestling season 66-67 was a rebuilding for Mr. Novak's team. This was especially true for the upper weights. Out of the starting twelve only five returned. Dennis Kates (180 lbs.), Doug Henson (Heavyweight), Mike Corey (165 lbs.) Clarence Jackson (154 lbs), Jerry Sharp (145 lbs), and Elwin Heard (127 lbs) were all taken by graduation. Eldrige Grayned did not wrestle because of a long illness that led to his death.

So with five regulars, Mr. Novak set out to build a team. James Cook, wrestling at 133, set out to lead this up coming team on to victory. Along with James there returned Allen Bond, Calvin Beasley, Charles Harvey, and Otis Lawrence. New comers to the squad as Freshmen were Ricky Buckner and Johnny Cook.

Ricky wrestled at 95 lbs. and did a great job for his first year. He has a lot of expectations and three years to obtain them.

Arnold Cason, Steve Smith, Roger Morville, Thurmen Jelks, John Peterson, and Charles Sharp were also a credit to this wrestling squad.

At the present time the Panthers have a 4 wins, 4 loss and 1 tie record with the last match left. This match will determine whether they will end in a winning or losing season.

From the twelve starting wrestlers there will be eight returning next year. So wrestling should definitely be an "in" sport from now on.
